Re: Complaint Against Navraj Singh and Singh for Congress, California 27th
Congressional District FEC#C00448159

Dear Ms. Duncan,

Pursuant to the Commission's rules, I, Tauby Lynn Ross, Executive Board Member of the Democratic Party of the San Fernando Valley, P.O. Box 57259, Sherman Oaks, California, 91413, file this complaint against Navraj Singh and Singh for Congress (FEC#C00448159), a candidate for congressional office representing the California 27th Congressional District.

I.

Singh for Congress has still failed to file its report for the quarter ending September 30, 2008. This report was required to be filed electronically by October 15, 2008. Singh is

29044252978

carrying on an active and expensive campaign as evidenced by the attached district-wide mailer. (Attachment "A".)

II.

Mr. Singh has violated and continues to violate federal elections laws and the Commission's regulations by failing to provide sufficient disclosures on his website. The official web page of Singh for Congress, <http://www.singhforcongress2008.com/>, solicits contributions. (Attachment "B", *pages from website*.) Although the website is soliciting contributions, nowhere on the website does it say any of the following:

1. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in an election cycle.
2. Federal law prohibits contributions to the campaign from corporations, labor organizations and national banks; from any person contributing another person's funds; from foreign nationals who lack permanent resident status; and from federal government contractors.
3. It fails to inform that contributions from individuals are limited to \$2300 per election.
4. The web page does not even ask the donor's occupation or employer, making a mockery out of any claim that the Singh campaign uses its best efforts to collect and report such information.
5. The web page does not state "Paid for by Singh for Congress;" nor does it reveal the campaign's FEC number. FEC regulations not only require the disclosure of this information, they require that such informs.
6. (As required by the IRS:) It omits that contributions are not deductible for federal income tax purposes.

III.

The attached district-wide mailer (Attachment "A") does not indicate the FEC number of Singh for Congress, nor does it explicitly say the mailing was authorized by Singh for Congress, nor does it contain the forgoing information in a separate box as required by FEC regulations.

The Commission should therefore find reason to believe that Mr. Navraj Singh and Singh for Congress have committed, and are continuing to commit, a violation of federal election laws and Commission rules by (1) failing to file electronically the 3rd Quarter report by the due date of October 15, (2) failing to provide sufficient disclosures on the "Singh for Congress" website, (3) failing to follow the FEC required disclosure format in its district-wide mailing. The

Commission should conduct an investigation and pursue necessary means to enforce federal elections law in this matter, and impose fines if applicable.

Respectfully submitted,

TAUBY LYNN ROSS
